**Thursdays from October 10<sup>th</sup> – December 12<sup>th</sup>**

**Club Facilitator: Miss DiIulio**

Sisterhood	Code	Impact
Join a safe and supportive environment where girls learn to see themselves as computer scientists.	Learn the concepts of loops, variables, conditionals, and functions that form the basis for all programming languages.	Work in teams to design a computer science impact project that solves real world problems the girls care about.

- St. Francis of Assisi

Did you know...October 4th is the Feast of St. Francis, Patron Saint of animals and the environment?

To honor God's love of all creatures, we would like to donate items to the Saugerties Animal Shelter and Adoption Center. Some needed items are: canned and dry cat food, canned and dry dog food, and household items (bleach, detergent, paper towels, wipes, old blankets and towels).

The shelter and adoption center is open Tuesday through Saturday from 8:30AM – 3:00PM. Loving homes are always needed if you are considering an addition to your family.

Thank you for your support. If you can donate any items, please send them in by Friday, October 4th.

## September is Pediatric Cancer Awareness Month

Kingston Catholic School students are encouraged to participate as we observe the

### 9<sup>th</sup> Annual National Pediatric Cancer Awareness Day

Friday, September 27<sup>th</sup>, 2018

## BLUE & GOLD DRESS DOWN DAY!

Monetary donations of ANY amount will be collected from participating students

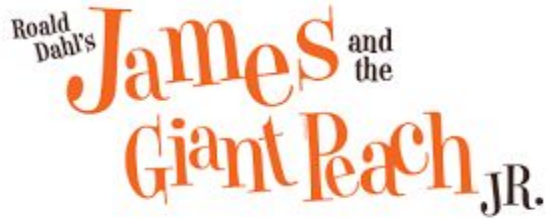

*Helping Children Affected by Cancer  
Achieve Their Goals*

**Go4theGoal** provides children undergoing cancer treatments and their families with financial assistance, funds hospital-based programs, grants special wishes, and has funded over 1 million dollars in innovative research. On September 27th we will be participating in the **Go4theGoal** National Pediatric Cancer Awareness **GO GOLD** Day. Schools across the country unite on this day to help to bring awareness to pediatric cancer.

Funds raised from our event will be donated towards local patients utilizing the **Go4theGoal** Program. If there is a family battling pediatric cancer in our community, have them (or their care manager) reach out to [PatientRequest@go4theGoal.org](mailto:PatientRequest@go4theGoal.org).

We are asking our KCS family and friends to help raise funds for this cause. Students who wish to participate can bring in donations on the morning of the event, and dress down in **BLUE & GOLD** to support Pediatric Cancer Awareness.

Alison Chace is a freelance violinist and private violin and viola teacher in the Hudson Valley. She received her Bachelor of Music in Music Education with a Performance Certificate in violin from the University of South Carolina. She has studied with Dr. Jacob Dakon (University of Kansas), Dr. Nancy Bargerstock (Appalachian State University), and Dr. William Terwilliger (University of South Carolina).

Ms. Chace is a member of the Greater Newburgh Symphony Orchestra, Northern Dutchess Symphony, Woodstock Symphony Orchestra, and the Catskill String Quartet and frequently serves in leadership positions for these orchestras. Ms. Chace also serves as an on-call violinist/violist for other orchestras and chamber groups in the area, and plays for many different churches and schools around the Hudson Valley. The greatest honor so far of her career has been playing in the orchestra with Christian singer-songwriter Steven Curtis Chapman at Carnegie Hall in February 2011.

Ms. Chace started her teaching career as a junior in high school. She made her decision to become a violin teacher early on and was entrusted with the violin students from a former teacher when he moved to go for higher education. While earning her degree at USC, Ms. Chace taught for the University of South Carolina String Project, which is a teacher training program as well as a program that teaches students of all ages how to play orchestral stringed instruments. Ms. Chace's students perform well very frequently and she has had many students go on to win competitions and leadership positions, both in music and in their extra curricular activities.

Beyond playing and teaching, Ms. Chace enjoys teaching skiing during the cool winter months at Belleayre Mountain in Highmount, NY and she's also very passionate about all things related to Disney and traveling. She currently resides in Kingston, NY and many of her violin and viola students are in Ulster and Dutchess Counties and their surrounding cities.

Hello Kingston Catholic Families!

My name is Alison Chace and I'm so excited that we will be able to offer violin and viola to your students this year! We will have an organizational meeting in late September 2019 in order to be able to start classes by October 2019. This will be to see how many students we have interested and to make sure we organize classes appropriate for your child's skill level and age group. I would like to offer classes for students starting in 2nd grade. I believe in starting students early to ensure every opportunity for success and to give them the opportunity to start early while they have the interest! If you would like your child to start at an earlier age, you can contact me and we can discuss what would be best for your child on an individual basis.

Classes will be taking place on Tuesday afternoons. Classes will be \$15 per student per class and payment will be due on the first week of each month. Times will be more definitive after the organizational meeting in September. For any student that has already been playing an instrument, they will have the opportunity to play on the Holiday Concert. All beginning students will have their first performance in June 2020.

If you are interested in your child enrolling in these classes, please contact me and let me know. If you contact me by phone or by e-mail, please mention that you are a Kingston Catholic School family and let me know what instrument your child is interested in playing. My contact information is:

E-mail: [chace.violin@gmail.com](mailto:chace.violin@gmail.com)

Phone: (803) 524-01115

I look forward to making music with all of your students and also to hopefully meet many of you soon!

Musically Yours,  
Alison Chace
