# Kingston Catholic School

Kingston Catholic School is amazing. I hope future generations can experience the KCS community as I and many others have. This is my eighth, and sadly my last year there, so here are some of the things that make it the best environment to learn and grow in education, leadership, faith and respect.

Kingston Catholic School has an incredible staff that is there for you every step of the way. Always available to help students with homework and lend advice. Everyone at KCS is friendly and understanding; always greeting you and asking how you are and checking up on you daily, never putting you down or doing anything that wouldn't be in your best interest. There is a buddy system where fourth graders and up get to pair up with a third grader or younger for the year and help them behave in Mass. You get to play games and do fun projects with your buddy throughout the school year, always meeting up for Church and fun activities on the First Friday of the month which is a half day.

Kingston Catholic School has prepared me for high school and many challenges I will face ahead in life. I'm so thankful my parents sent me to be a part of the KCS community. Over these years I've learned and grown in my education, my faith, and my respect for myself and others. Kingston Catholic is the best way to begin any child's education and give them a head start academically and spiritually. I suggest anyone who wants their child to succeed and learn the skills of an educated leader go to Kingston Catholic School.

# 1 \* 2 \* 3 \* 4 we declare a PENNY WAR!

## Are you up for a CHALLENGE???

The KCSFO Penny Challenge will run during Catholic School's Week, **Monday January 27<sup>th</sup> through Friday January 31<sup>st</sup>.**

Be sure to read the rules and share with your students.

There will be two winning classes:  
one from Pre K – 4<sup>th</sup>, and one from 5<sup>th</sup> - 8<sup>th</sup> Grade

Students collect and deposit pennies into their class bank during the contest. The class with the most pennies wins!!

BUT it isn't that simple... students can collect silver change (quarters, dimes, nickels) and deposit them into opposing grade's banks. While pennies count as a positive, silver change is a negative and is subtracted from the class totals.

At the completion of the contest, each grade's bank will be totaled. There will NOT be a daily tally maintained throughout the week. Students will be able to see each class bank and will have to decide where to deposit their silver change by making a guesstimate.

**The winners will be announced Monday, February 3<sup>rd</sup>**  
**Winning classes will get 2 days of Extra Recess and**  
**the Second Place classes will get 1 day of Extra Recess!!**

Dear Families,

The KCSFO will be providing students with ice cream sundaes during lunch on Tuesday, January 28<sup>th</sup>. If your child is not able to enjoy this treat, please send an alternative to school on Tuesday, ATTN Mrs. Schults.

Thank you,
