

MARCH 20th DEADLINE!

If you will need transportation for the 2020-2021 school year, please fill out the attached form and return it to the school office by March 20, 2020. **Please fill out a separate form for each child.** If your child is being picked up or dropped off at a place other than your residence, an alternative bus form also needs to be filled out. Please call the office and one will be sent home with your child. (Both forms need to be signed and returned if you will have a different pick up or drop off other than your residence.)

It is imperative that you return these forms by the deadline. Some students did not receive transportation this school year because their forms were late. You must reserve your spot on the bus. Even if you do not regularly ride the bus, fill out a form if there is a slight chance you will need it sometime during the school year.

If you do not need transportation, please sign your name and mark across the form no transportation needed and return it to the office.

If you are in a district other than Kingston, please call the office or send a note with your child and the proper form will be sent home to you.

If you are in need of busing for next year, it is very important to return the form to the office in a timely manner. The districts will not guarantee busing for those who do not send in a transportation form by the deadline.
