Dear KCS Parents and Guardians,

I hope this finds all of our families well and safe. Tomorrow you will receive an email from TADS Educate with information regarding the Parent Portal. Educate is the student information system used by the schools of the Archdiocese of New York. The Parent Portal is your place to access your child's information.

The email will provide you with a link to Educate, as well as temporary credentials. Once you login, you will be prompted to change your password. Please be sure to record your password in a safe location, as the school staff will not have access to it once you make the required change.

Should you experience difficulty accessing your child's report card, please email me at jill.albert@archny.org or KCTech@kingstoncatholic.org. If you have questions about your child's progress, please e-mail his or her teachers.

Here's to our next technological adventure!

Blessings,

Mrs. Albert

THE COMPLETION OF THE READ-A-THON

As much as we all wish we had magic wands like Harry Potter (so we could all return to KCS and our “normal” lives right away); unfortunately, that is not something that can happen quite yet.

So, in order to wrap up this year’s Read-A-Thon and determine the winners, we are asking parents for a little help. Please send an e-mail to Eldeva Tofte at eldevat@gmail.com with the following information by Wednesday April 29, 2020.

Your name:

Your child’s name:

Your child’s grade and teacher:

Total number of minutes read at home during the Read-A-Thon:

*****Total donation collected:**

Please e-mail the above to eldevat@gmail.com by April 29, 2020

*** Please hold any donation that you have collected until we return to school. Please know that if your child was unable to collect any donations, that is fine too. We completely understand that the world has changed since we launched the Read-A-Thon. We are most interested in how many minutes your child has read.

Winners will be announced in May and receive Barnes and Noble gift cards.

We hope your children enjoyed reading during the Read-A-Thon!
